STUDENT COUNCIL PRESENTS

MODEL UN

MUN is a simulation of United Nations proceedings where delegates represent countries, debate global issues, and draft resolutions. It fosters diplomacy, public speaking, and critical thinking skills while providing a platform to engage in real-world problem-solving and international relations.

Venue: Ground Floor, Seminar Hall

Time: 11:30 AM – 1:00 PM (Day 1)

MODEL UN

RULES & GUIDELINES:

- **Research:** Delegates must study their country's policies and agenda.
- **Attire:** Formal business wear is mandatory.
- **Conduct:** Professionalism and respect are required.
- **Speaking:** Follow the chair's directives and wait your turn.
- **Authority:** Judges' and organizers' decisions are final.

VISION TO VENTURE

An entrepreneurial challenge, similar to Shark Tank, where teams transform ideas into business models, define target markets, and pitch to industry experts. It fosters creativity, strategic thinking, and networking with investors and business leaders.

Venue: C.V. Raman Hall, 1st Floor

Time: 2:00 PM – 3:30 PM (Day 1)

VISION TO VENTURE

RULES & GUIDELINES:

- **Originality:** Ideas must be innovative and not previously implemented.
- **Business Plan:** Teams must submit a detailed proposal.
- **Time Limit:** 10-15 minutes for pitching + Q&A.
- **Professionalism:** Formal attire is mandatory.
- **Integrity:** Ethical conduct and respect are required.
- **Final Authority:** Judges' and organizers' decisions are final.

STUDENT COUNCIL PRESENTS

DRONE IMPLEMENTER

A hands-on challenge where each department receives a drone to upgrade with innovative gadgets and custom features. Teams must optimize functionality, demonstrating real-world applications, creativity, and technical expertise.

Venue: Passage Area, Ground Floor

Time: 11:30pm - 1:30pm

DRONE IMPLEMENTER

RULES & GUIDELINES:

- **Operational Requirement:** The modified drone must be fully functional and capable of flight.
- **Liability & Work Area:** The managing committee is not responsible for any damages; teams must reimburse repair costs. All modifications must be done within the assigned lab, and drones cannot be taken out until the event.
- **Campus Regulation:** Drone flights are strictly prohibited on campus except on the official event day.
- **Safety Compliance:** Participants must follow all safety protocols and guidelines.
- **Evaluation:** Final demonstrations will take place in front of participants and HODs.
- **Final Authority:** Judges' and organizers' decisions are final and binding.

STUDENT COUNCIL PRESENTS

SNAKE AND LADDER

A thrilling, life-sized version of the classic board game! Participants navigate a giant game board where each step comes with skill-based challenges. Depending on their performance, they may advance forward or be set back, adding an exciting twist of unpredictability.

Venue: Ground Floor Passage Area

Time: 1:00 PM – 4:00 PM (Day 1 & 2)

SNAKE AND LADDER

RULES & GUIDELINES:

- **Fair Play:** Participants must follow game ethics—cheating or disruptive behavior will not be tolerated.
- **Respect for Props:** Players must not damage or alter the game board or provided materials.
- **Game Integrity:** Rolling twice or skipping moves without permission will lead to disqualification.
- **Final Authority:** The event organizers and coordinators will have the final say in all matters.

OFF ROAD RUMBLE

A high-speed endurance challenge where participants race through a rugged, obstacle-filled track using pre-built vehicles. Competitors must complete maximum laps within the time limit, testing skill, control, and strategy to claim victory!

Venue: Quadrangle

Time: 2:00 pm – 4:30 PM (Day 1)

OFF ROAD RUMBLE

RULES & GUIDELINES:

- **Track Completion:** Skipping or bypassing hurdles will result in penalties.
- **Fair Play:** Obstructing or interfering with others is strictly prohibited.
- **No Damage:** Intentional damage to vehicles or the track leads to disqualification.
- **Winner Criteria:** The participant completing the most laps within the time limit wins.
- **Final Authority:** Tech coordinators' and event organizers' decisions are final.

STUDENT COUNCIL PRESENTS

ESPORTS

A thrilling battle royale showdown where players compete in Solo and Squad modes, testing survival, strategy, and combat skills. Dropping into a virtual battlefield, participants must scavenge weapons and engage in high-stakes combat. Quick reflexes, teamwork, and tactical decisions will determine the ultimate champion!

Venue: 1st Floor Classroom

Time: 1:00 PM – 4:00 PM (Day 2)

ESPORTS

RULES & GUIDELINES:

- Players must use their own devices with the latest game updates.
- Any third-party software, hacks, or cheats will lead to immediate disqualification.
- Internet connectivity is the player's responsibility; lag or disconnection issues won't be considered.
- Players must join within the given time; late entries won't be entertained.
- Decisions of tech coordinators and event organizers are final.

STUDENT COUNCIL PRESENTS

BRAIN BLITZ

Brain Blitz is a high-energy quiz competition where teams tackle questions on technology, science, and logical reasoning. With elimination rounds like MCQs, buzzer challenges, and rapid-fire questions, participants must think fast, stay sharp, and outsmart the competition to win!

Venue: C.V Raman Hall, 1st Floor

Time: 1:30 PM – 3:30 PM (Day 1)

BRAIN BLITZ

RULES & GUIDELINES:

- **Team Format:** Teams of two will compete through MCQs, buzzer rounds, and rapid-fire challenges.
- **Answering & Scoring:** The first team to respond gets to answer; correct answers earn points, while negative marking may apply in later rounds.
- **Fair Play:** Use of mobile phones, smartwatches, or any unfair means is strictly prohibited.
- **Final Authority:** Judges' and organizers' decisions are final.

STUDENT COUNCIL PRESENTS

ESCAPE ROOM

The Escape Room is an exciting team challenge where participants are locked in a themed room and must solve puzzles, decipher clues, and escape within a time limit. Success requires problem-solving skills, logical thinking, and teamwork to navigate through multiple levels of intricate challenges.

Venue: 1st Floor

Time: 11:00 AM – 4:30 PM (Day 2)

ESCAPE ROOM

RULES & GUIDELINES:

- **Solve to Escape:** Complete all challenges within the time limit.
- **No External Help:** Phones, books, and the internet are prohibited.
- **Respect the Setup:** Do not damage or alter objects unless meant for interaction.
- **Fair Play:** Cheating or disruptive behavior leads to disqualification.
- **Final Decision:** The organizer's decisions are final and binding.

STUDENT COUNCIL PRESENTS

POSTER PRESENTATION

Participants will visually showcase their research, projects, or innovative ideas through well-designed, engaging posters. Judges will assess clarity, creativity, and depth of understanding in each presentation. Each participant will have 5 minutes to present their poster, followed by 2 minutes for Q&A with the judges.

Venue: 1st Floor Classroom

Time: 1:00 PM – 4:00 PM (Day 2)

POSTER PRESENTATION

RULES & GUIDELINES:

- **Standard Banner Size:** Posters must follow the IEEE A0 format (84.1 cm × 118.9 cm or approximately 2.76 ft × 3.90 ft). Other sizes will not be accepted.
- **Clear & Concise:** Information should be well-organized, readable, and visually appealing.
- **Professional Conduct:** Participants must present their posters professionally and answer judges' questions effectively.
- **Final Decision:** Judges and organizers hold the final authority in case of disputes.

STUDENT COUNCIL PRESENTS

SQUID VERSE

The most thrilling and highly anticipated event of the fest, inspired by the Squid Game series. This multi-round survival challenge pushes individuals and teams through intense, unpredictable games. Each round features unique physical and mental challenges, testing endurance, strategy, and teamwork. With elimination-style rounds and rules revealed on the spot, the event guarantees suspense and excitement!

Venue: Ground Floor Passage Area

Time: 11:30 AM - 3:30 PM (Day 2)

SQUID VERSE

RULES & GUIDELINES:

- Team Formation: Each team must have exactly four members.
- One Player, One Level: A participant can only compete in one level and cannot proceed to further levels.
- Time Limit: Each level has a strict time limit; failure to complete it in time results in elimination.
- Fair Play: No external help, resources, or unauthorized items are allowed.
- Final Decision: Judges' and organizers' decisions are final and binding.
- Note: Most rules will be explained before the game begins, and these will be considered final.

BOLT 1.0 - THE ULTIMATE HACKATHON

A 6-hour hackathon challenging participants to showcase innovation, technical precision, and UI/UX expertise. Teams will redesign and enhance a pre-built website while maintaining its original structure and alignment. If a database is involved, seamless data integration and functionality must be ensured.

Venue: IT LAb 4 & 5

Time: 10: 00 -4:30pm (Day 2)

BOLT 1.0 HACKATHON

RULES & GUIDELINES:

- Teams: 2-4 members (Member 1 & 2 compulsory). Only Team Leader registers.
- Requirements: Web dev knowledge mandatory. AI tools allowed with proper acknowledgment and explanation.
- Guidelines: Collaborate, innovate, and respect the competitive environment.
- Judging: Based on innovation, execution, and adherence. Prizes for winners.

BOLT 1.0 HACKATHON

Materials required for Bolt 1.0

For Participants:-

- **Laptop/Computer:** Preloaded with necessary software and tools for development.
- **Chargers & Power Banks:** Ensure all devices stay powered throughout the event.
- **Ethernet Cable/Adapter:** For stable internet connectivity (if Wi-Fi is unreliable).
- **USB Drives/External Storage:** For backups or transferring files if needed.
